Additional Information:

Town crews attempt to remove all debris from property with no damage occurring to the property. However, at times large amounts of material placed on your driveway or lawn will cause minor damage during the collection process. Any damage occurring is the homeowner's responsibility.

During the winter months, snow and ice removal from highways is a priority of our Highway Department. On days when heavy snows occur, trash collection may not take place.

The Town of Perinton observes the following holidays: Martin Luther King Day; President's Day; Good Friday; Memorial Day; Independence Day; Labor Day; Columbus Day, Veteran's Day; Thanksgiving; and Christmas. When a holiday occurs during the week, the collection of YARD DEBRIS by the Town of Perinton will be delayed one day. The Town of Perinton's holiday schedule may differ from private garbage haulers and other recycling companies. Please contact those service providers for their specific holiday schedule and collection policies.
